October in Miami is a wonderful time of the year. The weather is slightly less oppressive, so it's great to be able to spend more time outdoors. One outdoor activity not to be missed is the Fort Lauderdale International Boat Show (Oct. 28 to Nov. 1), the 61st edition of the largest boat show in the world. It's a must-attend if you love being out on the water, or even if you just love looking at amazing yachts. It's also a reminder that, with school back in session, restaurants open for in-room dining and our local sports teams playing, we are settling into our new normal. At *Ocean Drive* we've also adjusted to working in the pandemic. This month features our first cover shoot in Miami since March. We are so honored to feature Colombian superstar Maluma, and we were fortunate to use the backdrop of the Sky Villa at Jade Signature in Sunny Isles for the cover shoot. I hope you enjoy the issue, and I look forward to seeing you—and Maluma—around town this fall.
