

TEN₃₀ SOUTH BEACH HOSTS SOCIALLY DISTANT PARTY TO CELEBRATE TOP OFF

December 11, 2020

Shoma Group officially topped off construction at Ten30 South Beach, a luxury boutique condominium scheduled to open in 2021. The developer teamed up with the project's exclusive sales broker Fortune Development Sales to host a ceremony to commemorate the occasion. The topping off ceremony included real estate brokers, VIPs, community leaders and partners in the project invited to a socially distanced cocktail party with music and hors d'oeuvres.

“We’re extremely proud to celebrate this construction milestone and cannot be more pleased to be one step closer to completion. Seeing Ten30 begin to take shape is a stunning moment for our team as it underscores the continued progress as we bring this compelling project to life,” said Masoud Shojaee, President and CEO of Shoma Group. “We look forward to delivering Ten30 South Beach and welcoming our residents in the new year.”

Ten30 is a four-story building that features 43 residences built in a mid-century modern design. Residences range from studios up to two-bedroom units. Amenities will include a 6,000 sq.ft. rooftop deck, a rosé-colored pool, outdoor kitchen area, BBQ stations and an extensive gym.

“Ten30’s contemporary residences offer buyers a truly refined and elevated living experience with thoughtfully designed layouts in the heart of South Beach,” said Edgardo Defortuna, President and CEO of Fortune International Group. “We’ve continued to see a strong interest from prospective buyers locally, internationally and particularly from the Northeast, and we look forward to continuing our forward momentum.”

1030 15th Street is located just minutes away from Lincoln Road, Sunset Harbor and Flamingo Park. The project is a unique luxury retreat compared to the high-rise condos surrounding South Beach.
