UNA RESIDENCES

Life at Una Residences is unlike any other in large part due to the incredible spa and wellness amenities that the building has for its occupants. The famous lifestyle of Miami is entirely at work in the wondrous building's outdoor and indoor facilities. Between the three remarkable swimming pools, Aman Resort-style spa and steam room and fitness center with yoga and personal training facilities, any inhabitant of Una Residences will have luxury pampering services at the tips of his or her fingers without ever having to leave the building. In a city as vibrant and alive as Miami, residents will find respite in the unique spa amenities that will leave no need or want unattended. Una's residents also can relax at the Grand Bay Club on the beachfront of Key Biscayne with exclusive membership access available to them alone. This building and its perks genuinely enhance the Miami lifestyle like no other.
