CARILLON MIAMI

The award-winning Carillon Miami Wellness Resort offers much more than breathtaking views of the Atlantic Ocean and Miami skyline, as the resort serves as the apex of Miami spa living. The Carillon Miami offers innovative contactless services that feature cutting-edge technology for the personal enhancement of guests' safety, health and wellness during the worldwide pandemic. For a unique full-body regeneration experience, try the Prism Light Pod, which uses red light waves to bring the user instantly to full-body recovery. The VibraGenix machine is another unique service that exercises nearly a trillion cells within the guest's body, using sonic vibration to mimic an hour of intense cardiovascular activity. Other innovative technologies such as the Rasha, Halotherapy Solutions, PureWave Vemi and Bryte increase clients' mental, physical, cosmetic and even spiritual health through the incredible meditative devices that Carillon utilizes. The Carillon Miami sets out to take clients on a nourishing yet innovative journey for the body and soul and delivers on that promise. 6801 Collins Ave., Miami Beach, carillonhotel.com

UNA RESIDENCES

Life at Una Residences is unlike any other in large part due to the incredible spa and wellness amenities that the building has for its occupants.
